Liberal Receipts of Hogs at Chicago Weaken the Provision Market.

Sagging 12 Points.

New York June 2.—Stocks suffered a severe setback today on the resumption of operations after the trigic holition of the week and the disappointment felt in local circles regarding the latest Union Pacific Southern Pacific plans were largely responsible for the increased pessimism here.

Canadian Pacific was weakest of all issues abroad and here, making a maximum decline of over 19 points from hair Thursday's final price in this market. Union Facific declined 25 and Reading. Pennsylvania. Lehigh Valley and Amaleamated Copper two points or more, while losses of a point were quite general.

The trailing was active with indications or fluidaling in many parts of the list.

Bonds were heavy.

During the customary juli at midden points in all to 215.

Bonds were heavy.

Tradens showed a Bruttle inclination to harden, which provoked fresh bear selling. Canadian Pacific saxged 12 points in all to 215.

Traders showed some disposition to cover owing to the severe nature of the day's decline. Their buying however, caused a fractional recovery and when it caused prices resumed a down inclining September options as for the day's decline. Their buying however, caused a fractional recovery and when it caused prices resumed a down inclining September options as follows. Pork, 118,75; lard, 111.10 to 211.25. The market closed weak Low levels for the day were reached in the final hour, when there was another down and prices covered the low figure of the year, with prossure especially official and Reading.

The market closed weak Low levels for the day were reached in the final hour, when there was another down and administration of the day were reached in the final hour, when there was another down ward course again.

The market closed weak Low levels for the day covery canadian Pacific with a second processing for both accounts. Many representative selling for both accounts and reached pr Chicago, Dis. June 2.—Reports or rain in Kansas and Oklahoma, where the weather has been excessively dry and hot, gave wheat today a down-turn. The opening prices varied from
